Dear Lenny,

I would like to personally thank you for helping to make the 2007 Factoring Conference such a success.

The feedback that I received regarding the conference was extremely positive. A frequent comment was that this conference included the best topics and best group of speakers ever.

Please accept the poster and the gift basket that you will be receiving as a thank you for all or your assistance.

Thanks again and we hope to see you again at a future IFA event.

Sincerely,

Bert Goldberg  
Executive Director
